Steve,

We just wanted to say a big thank you for doing such a wonderful job at our wedding. We really appreciated the great emcee job you did even when Tom tried to take over. You were very friendly & professional.

Thank You!

Steve,

Thank you very much for your DJ services on our wedding day. Everyone (obviously) had a blast and it was largely ~~in part~~ due to your skills. Thanks also for your professionalism and organization - it all helped to make the planning process that less painful! Thanks and Regards,

David Jenkins

Steve and Kathy,

Thank you so much for being our DJ! You guys did more than needed and made our night wonderful!

We love the sign, we will not have a problem finding somewhere to put it! Also, thank you for the shadow box, with all of our pictures it will come in handy.

Again, thank you for all you did. You two were a huge part in making our day beautiful and long lasting (2:00am)

Steve -

Thank you so much for doing such a wonderful job with our wedding music. You are an awesome DJ and have a great, fun personality. I'm so glad that I found you because I don't think I would have been as happy with any other DJ - your prices are very competitive and you are good at what you do. Thanks again for everything!
